

ChiliProject - Feature # 947: Reformat the CSS files to use a standard

Status:	Closed	Priority:	Normal
Author:	Andrew Smith	Category:	
Created:	2012-03-23	Assignee:	Andrew Smith
Updated:	2012-05-21	Due date:	
Remote issue URL:			
Affected version:			
Description:	Currently all the CSS files use different spacing/tabbing and mixed rule layouts. These should be standardised.		

Associated revisions

2008-04-02 09:52 pm - Jean-Philippe Lang

Accept the following formats for the timelog "hours" field: 1h, 1 h, 1 hour, 2 hours, 30m, 30min, 1h30, 1h30m, 1:30.

Also accept 1,5 for 1.5 hour (closes #975). Note that 1.5 is still equal to 1h30 and not 1h50 (#947).

Reformat CSS to use the coding standard. #947

Formatting was done mostly by hand using the following as a guide

<http://gnuvince.wordpress.com/2007/02/26/reformatting-a-css-file-with-vim/>

" Replace all sequences of white spaces with one space

```
:%s/[ \t\n]\+/ /g
```

" Go to the end of the command, then forward one character and insert

" a newline

```
]lr^M
```

" Make sure there is a semi-colon before each closing bracket

```
:%s^\([^\; ]\)\ *}\^1;}/g
```

" Add a newline after every semi-colon

```
:%s/;/^M/g
```

" Add a newline after every opening brace and make put one space

" between it and the preceeding text

```
:%s^\([^\ ]*\)\ *{\^1 {^M/g
```

" Add two newlines after every closing brace

```
:%s/}\}^M^M/g
```

" Remove 'trailing' spaces in front of the semi-colons

```
:%s/ *;/g
```

" Make sure there is only one space after a colon

```
:%s/: */: /g
```

" Make the text before the colon lowercase

```
:%s^\(.\{-}\):^L\1:/g
```

" Remove all trailing spaces at the beginning of lines

```
:%s/^ \+/g
```

" Indent the whole file

```
gg=G
```

" Split each rule onto its own line (This also matched some

" property/value combos so needed confirming

```
:%s/^\([a-z0-9]\+\), \+\^1,\^M/gc
```

History

2012-03-24 07:37 pm - Holger Just

- *Tracker changed from Task to Feature*

- *Status changed from Open to Ready for review*

Pull request is at <https://github.com/chiliproject/chiliproject/pull/168>

2012-05-21 07:04 am - Felix Schäfer

- *Assignee set to Andrew Smith*

- *Status changed from Ready for review to Open*

There's still 1-2 kinks to work out, but looks good overall.

2012-05-21 12:03 pm - Felix Schäfer

- *Target version set to 3.2.0*

- *Status changed from Open to Closed*

Finally committed, wool commit:f983b45
